DEMOCRATIC CONVENTION

Grant County Democrats Nominate a Strong County Ticket.

A Large Attendance from Outside Precincts and a Harmonious Convention With Good Feeling on All Sides.

The democratic county convention was called to order last Saturday morning at Morrill hall, by Hon. J. W. Fleming, chairman of the democratic county central committee, at 10:30. Secretary Charles G. Bell read the call for the convention, after which the chairman declared that nominations for temporary chairman of the convention were in order.

L. A. Skelly nominated J. W. Fleming and W. B. Walton nominated G. D. Bantz. The nominations were closed and a rising vote was taken which resulted in 57 for Fleming and 25 for Bantz. Fleming thanked the convention for the honor conferred and referred briefly to the law passed by the last legislature reducing the fees of county officers and said that he hoped that every democrat would stand by it.

Nominations for temporary secretary were then declared to be in order and the names of W. B. Walton, John Burnside and W. T. Williams were placed before the convention. Each of the gentlemen named withdrew and Charles G. Bell was nominated and elected as temporary secretary.

Judge Boone moved that, as the precincts were called each delegation should select one of its number to serve on the committees on credentials, rules and permanent organization, and platform.

The call of precincts was begun and the following committees were appointed:
